

CARLI RABBEAT

Organic rabbit feed

Product information

Plant-based top-quality organic complete feeds for rabbits of any age starting from the weaning phase.

Free from antibiotics and synthetic substances, Carli Rabbeate provides fibres, indispensable for gut health, proteins, minerals and vitamins, necessary for healthy growth, in line with the animals' natural biorhythm.

Carli Rabbeate consists primarily of forages (dehydrated alfalfa and top-quality, first-cut dehydrated hay) enriched with cereals, oil-plants and protein plants.

The nutritional value, health and safety of Carli Rabbeate are guaranteed by tests carried out on Italian rabbit farms.

Composition

Dehydrated alfalfa meal, grass meal, rye, sunflower panel, spelt var. Dicocum, wheat bran, dried carrobs, calcium carbonate, sodium chloride.

All ingredients, which are of Italian origin and GMO-free, are processed at Gruppo Carli premises in Italy.

Carli Rabbeate do not contain antibiotics or synthetic substances and are additive and supplement-free.

Product's nutritional value, its health and safety are guaranteed by tests carried in Gruppo Carli rabbit farms.
