

ORGANIC CORN

100% ORGANIC CORN FARMED IN ITALY

Gruppo Carli's maize is crop-rotated with alfalfa, which is known to cleanse and fertilize the land, and harvested and stored under the direct management of the group's companies. Carli Group organic maize is used primarily for human and animal nutrition, but also for the extraction of starch and the production of oil and distillates.

ORIGIN

Italy (Emilia Romagna, Lazio)

Sustainable Cereals

Gruppo Carli cereals are cultivated without irrigation.
